<i>Net Balance Effect</i>	\$0	(\$2,265,000)
Total Budget Balance Effect	\$0	(\$2,265,000)

Budget Action description:

The \$2.3 million in one-time funds allocated by this green sheet shall be placed in Finance General and will only be released for expenditure once the Council has received a proposed spending plan from the Executive and passes a specific ordinance moving the funds from Finance General to HSD. It is the Council's intent that these one-time funds will be spent in a manner that is compatible with the \$5 million emergency authorization the Mayor proposed and the Council allocated through Ordinance 124892 on November 3, 2015.

The Council intends that these additional one-time funds be spent to provide new and expanded shelter beds, extended day center services, maintenance of skilled outreach services to vulnerable homeless adults, support of authorized encampments, and child care for homeless children. It is the Council's further intent that these funds, whenever possible, be spent in collaboration and partnership with other regional governments, including King County and neighboring cities, to provide shelter in Seattle.

The Council requests the Executive to submit a detailed plan for the expenditure of these funds, and the previously authorized \$5 million emergency expenditure, no later than Monday, January 18, 2016. This plan should define the specific problems to be addressed, how funds will be used, and what specific outcomes will be evaluated to determine their effectiveness.

This green sheet imposes the following proviso:

“None of the money appropriated in the 2016 budget may be spent from the Emergency Homeless Program for 2016 (One-Time Funding) Reserve in Finance General until authorized by future ordinance. Council anticipates that such authority will not be granted until the Human Services Department provides a plan for using the Finance General Reserve funding to deliver one-time, emergency homelessness services.”

Council requests that the Human Services Department develop a plan for spending the Finance General Reserve using as a guide the approach detailed in Attachment 1.
