CEA Questions

Access

- Where should households access Homeless Housing?
- Should it differ based on population?

Assessment

- How do we only assess households we have housing for?
- What Assessment Tool should we use?

Housing Prioritization

- How should we prioritize the available housing?

Referral

- How do we quickly make eligible referrals?

Navigation

- How do we support households to get to housing?

Housing Placement

- How do we reduce the number of refusals/denials?
