

Veteran Resources

SSVF (Support Services for Veteran Families) has been given approval to use grant money to pay for hotel rooms, the program is called (Emergency Housing Assistance – EHA. The program lasts 45 days, but can be extended.

The criteria for qualifying:

1. 60+ years old, veteran is pregnant, or has health problems that lead to a weakened immune system or health problems that impact lung function
2. The veteran needs to be a client of a SSVF Program or in VASH (must have their voucher or a date to receive their voucher). To find out if the veteran is working with the VA or SSVF please look at the VOLT notes in HMIS Assessment Tab, this breaks down if the veteran is VA eligible, if they have registered at the VA and what veteran provider they are working with for permanent housing.
3. There are some meals provided.
4. You will need to fill out a referral form for your veteran.
