

## Do you have a client that is homeless?

In need of move-in cost assistance?

## The Hunthausen Fund may be able to help!

**The Hunthausen Fund is for homeless individuals and families seeking one-time move-in cost assistance. The program guidelines are as follows:**

- Applicants must be homeless, and have identified housing, been approved, and ready to move-in
- Applications must be completed with a Case Manager
- The assistance amount has a grant portion, and a loan portion. We ask that recipients pay back 50% of the assistance so other homeless households can continue to benefit from the services in the future
- Applicants may move-in to King County, Pierce County, or Snohomish County public or private housing (unfortunately, we cannot assist with move-in to transitional housing at this time)

**Please feel free to contact Victoria Anderson at (425) 679-0340 ,  
VictoriaA@ccsww.org or James Tolbert at (253) 850-2505, JamesT@ccsww.org  
with any questions you may have.**

**We look forward to working with you to get your clients housed!**
