

Job Opening

SPRING CREW MEMBER

Seattle Youth Garden Works

Spring 2015

Job Description

Participate in an 8-week paid training where you'll:

- grow food on an organic farm and gain transferable skills to add to your resume
- work as a team to plant, weed, cultivate and harvest produce
- get involved in the food system and make a difference in your community
- get the chance to apply for a year round position

Dates

Every Thursday, April 23-June 11, 3:30-6:30pm

Qualifications

- Be ages 16-21, homeless or underserved (free/reduced lunch, food-stamps, TANF qualify).
- Must be able to work hours specified above.
- Must be able to provide your own transportation to the worksite. The farm is located in the University District.
- Must work well with others and participate in all program activities.
- We are looking for people who will be enthusiastic about working outside, rain or shine.
