---

- Uphold the rights of youth involved, or at risk of being involved, in the juvenile legal system to help them secure the **education, healthcare, housing,** and **other support** needed to achieve positive outcomes in their lives
- Achieving our **VISION** requires a bold goal of eliminating the use of youth incarceration across Washington State

# WHAT WE DO

Services**

**Training &

# WHO WE SERVE

---

Youth **ages 12-24 years old** in four of Washington's largest counties (*King, Pierce, Yakima, Spokane*) as well as youth incarcerated in our state's juvenile prisons and community facilities

# LEGAL SERVICES

---

We can help youth facing a barrier or challenge like:

- **Not being in school** (suspension, expulsion, truancy, dropped out, not allowed to enroll)
- **School isn't working** (need more support for learning, feel unsafe or bullied, feel discriminated against, other parts of life make it hard to focus and be successful)
- **Feeling unsafe at home or don't have a home** (lack of stable housing, conflict with family, couch surfing, living on the streets, in a bad relationship, running from foster care)
- **Trouble getting health care or counseling** (have unmet or unidentified health care needs, services or care denied or reduced)
- **Being locked up in detention** (probation violations, warrants, police or school resource officer attention, truancy or running away, parents won't help)
- **Being incarcerated** in a **Juvenile Rehabilitation (JR)** institution or community facility
- **Landing a job or housing** because of a juvenile record, court fines and fees, or a registration requirement
